

# Nature Club Activities 2020-21

## Report

### World Environment Day 2020

Planting saplings in College campus

Date: 5th June 2020

Participants: Faculty of Physics department and Principal

Nature Club of St. Paul's College and Physics department jointly planted 70 plant saplings in the college campus as a part of the World Environment Day celebration in college. Principal Prof. Valentine D'Cruz inaugurated the activity by planting saplings. All the teachers of the Physics department participated in the program.

Principal and teachers planting saplings

## **Miyawaki Forests**

The afforestation began at St. Paul's College in association with UST global start up. Tree saplings of 130 varieties were planted with help of alumni, teachers, faculty and staff.

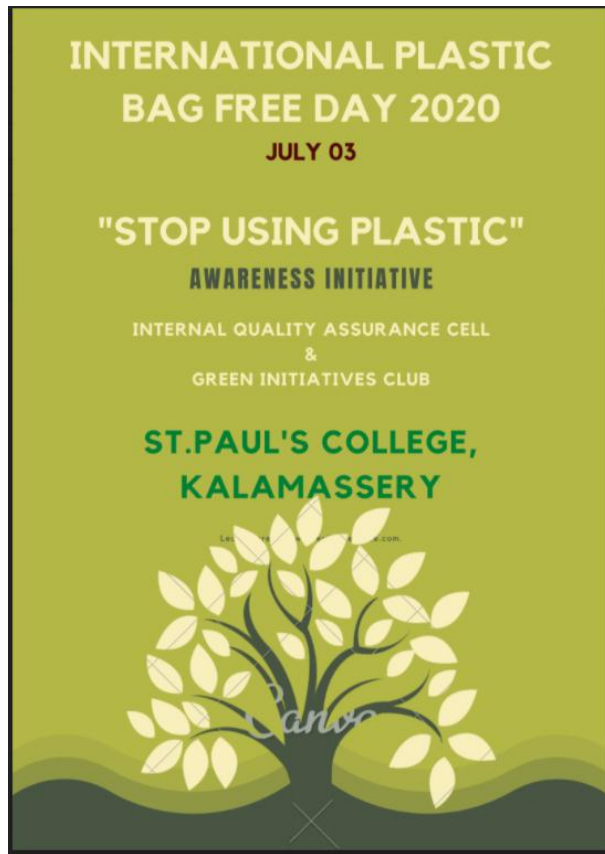

Faculty planting saplings

## **International plastic bag free day 2020**

**Date: 3rd July 2020**

**Number of participants: 21**

Nature club of St. Paul's College conducted an awareness program for students with the help of all the teaching staff. Brochures that share messages to "stop use of plastic bags" were circulated to student groups through whatsapp. All the teachers and Principal participated in the awareness program.

## **Nature conservation week celebration**

The Department of English and Nature club conducted a video making competition for students in connection with Nature conservation week during 15-23 August 2020.

## **World Ozone Day Celebrations 2020**

**Date: 18 September 2020**

**Number of participants: 160**

The Nature club and department of Physics conducted a talk based on the theme “Ozone for life: 35 years of Ozone layer protection as a part of Ozone day celebrations 2020. Head of the Physics department, Dr. Rajeshmon V G welcomed the gathering. Talk was delivered by Dr. K. Satheesan, Associate Professor, Dept. of Atmospheric Sciences, CUSAT. About 160 participants including students and teachers of various

departments participated in the program. Coordinator of the program, Mary Vijila C V delivered a vote of thanks.
