**Report**

The Members of our music club actively participated in the programme organized in connection with the Orientation programme for the freshers on 18.07.2018. On 11.10.2018, as part of the college union inauguration, music club organized a programme which was well appreciated by the audience. During the College Day celebrations of our college, on 15.02.2019, our music band was given a chance to perform and the programme was reported to be a grand success. During this period, our team participated in various intercollegiate fest and secured prizes too.
