HAPPY
WOMEN'S
DAY

International Women's Day (IWD) is a global holiday celebrated annually on March 8th to commemorate the cultural, political and socioeconomic achievements of women. The 2021 UN theme for International Women's Day is "Women in Leadership: Achieving an Equal Future in a Covid-19 World". The purpose was to highlight the impact that girls and women worldwide had as healthcare workers, caregivers, innovators and community organizers during the pandemic.

At St. Paul's College, we look forward to celebrating a day when all genders feel free and empowered in existing as themselves, bringing forth their creativity for the common benefit of humanity.

*May we grow together
Softly blossoming flowers of creativity.
Unfurling the Petals of Solidarity
As we face the storms of life*

Enhancing the Epicentre of Learning

Library, the nucleus of learning in a college, hums with social and intellectual activity. It contains critical resources that make learning possible-books, journals, workstations, printers and skilled specialists who can help students navigate research topics. St. Paul's College Digital Library is undergoing a sea change to gear itself to meet the upcoming challenges of

online teaching. The first phase marked by the inauguration and blessing of the Librarian's cabin took place on 12th February, 2021. Principal, Prof. Valentine D Cruz cut the inaugural ribbon. The Associate Manager, Rev. Fr. Joseph Antony Palliparambil blessed the new cabin. Librarian Dr. Binu P.C., Office Superintendent Mr. Antony Diaclos, Sr. Salomi, Mrs. Mary T. J. Ms. Neena were present on the occasion.
