

St PAUL'S COLLEGE, KALAMASSERY
ONAM CELEBRATIONS (18/08/2021)

The extended lockdown that crept into the academic year 2021 – 22 has certainly altered the functioning of colleges and the concept of college life. In an effort to assure our students of some normalcy, and to spread a message of hope and happiness, the Deanery of Student Affairs initiated an online Onam Celebration in the entire college, department wise, on 18/08/2021. In keeping with the new normal, it was christened 'Ponnonam@stpauls.ac.in'. The emphasis was on a safe and happy Onam at home.

Ms Aleena of II B Com (Tax) created an attractive poster for the celebrations. A team comprising the following students created a video containing Onam messages for the entire college from the Management, Principal, Vice Principals and Office Superintendent:

1. Mr Emmanuel David, II B Sc Physics
2. M Hamna Hassan, II BBA
3. Mr Aman Nias, II BBA

All the Department conducted programmes innovatively tailored to meet 'online' demands. While some had recorded *paayasam* making contests, digital *pookalams*, speech contests and *Kerala Shriman/Manka* contests, others had Onam quizzes, *Onappattu* contests and fun games.

Outcome Achieved: Despite the trials and tribulations of the pandemic and the rolling lockdowns, both staff and students found some respite from their worries and a sense of togetherness. All expressed the hope for the pandemic to abate and better days to come.
