1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	During the pandemic period, the institution had fully adapted to blended learning and flip classrooms. Students were shared with topics to be covered in every class as notes and audio clips before the scheduled classes. Students and staff were offered various training sessions on the effective use of different e-learning platforms. Add-on and value-added programs were conducted through institutional e-learning platform viz. edupaul. Every class was recorded, and the videos were shared with students through institutional media telecast platforms and/or through YouTube channels of individual faculty members. Exams were conducted and evaluated using exam management software and low performers were given additional sessions for better performance. Students from remote localities, who could not participate in classes were offered additional support through one-to-one interactions and additional lecture notes. To improve the quality of the teaching-learning process learners were encouraged to take up MOOC courses offered by the parent university and also through SWAYAM platforms. Counseling sessions were arranged for those students who needed external support to cope with the changing educational environment and the challenges henceforth.
